My dear parish family:

In our gospel today, we hear short parables from Jesus describing the Kingdom of Heaven. As we hear the Word proclaimed to us, we ponder, how do I nurture the seeds of faith planted within me and how do I plant more seeds of faith in the world? Let's continue to pray for each other as we deepen our faith and let's try hard to scatter seeds of God's Word among those we meet.

Know of my continued daily prayers for all of you and my thanks to all the parishioners who continue to support our parish. Your continued support is greatly appreciated by me and I am sure your fellow family members in the family at Resurrection.

God's Best to all of you.  
 Love and prayers,  
 Fr Mike

## WORDS OF LIFE

“It is so hard to express in words what a unique experience adoption has been for us. It has been quite a journey facing infertility, as well as so many unknowns and acts of kindness and sacrifice—all with so many emotions—which led to the growth of our family. There were times when our faith was shaken and we weren't sure if we could handle our cross. But adopting Andrew has made us more aware of God's power and of his love for us. We realize that he always has a perfect plan for our lives.”

## Corpus Christi's blessed Feast Day is June 6.

We cordially invite the priests and parishioners of the diocese to participate in this year's outdoor procession and Mass. The procession begins at St. Stanislaus Church, 123 Townsend St., Buffalo at 1 pm, ending at Corpus Christ Church at approximately 2:15 pm with Mass inside the church. There will be several outdoor altars where Benediction will take place. Parents of children who have made their First Communion this year are urged to bring them in their Communion attire. Flower petals are encouraged. You are asked to respect social distancing while outside; masks will be required for Mass.

## CHURCH FLOORING

The asbestos abatement of the flooring in the church has been postponed to August. The flooring is coming, it's already paid for, just a little delay. Pray that it gets completed in August.

## SCHOOL DEMOLITION

Isn't wonderful to see the lot where the school once stood now graded, top soil down and seeded. How beautiful additional green space will be blossom. The little hump in the lot was required to be laid because of the water lines. Current codes required it.

## FACADE OF CHURCH

As you can see, as promised, the façade of the church has begun. How inviting it will be once it is completed.
