**SANCTUARY LAMP**

Our sanctuary lamp this week is lit for the intention of Henry Kreutzer by Mary Jane McDonald. Please pray for their intentions.

**COLLECTION**

Our weekly operating expenses \$7,300.  
 \$4,301.

**PLEASE NOTE THE GAP.**

**We Thank You For Your Generous Giving.**  
**Please remember Resurrection Parish in your will.**  
 Remember on-line giving as an option.  
 See parish web-site.

My dear parish family:

Thanks to all who sent me wishes as I depart our parish family for St. Christopher's. I have saved the notes and cards to read once I get to my new home. Know, I love all of you and will continue to keep a special place in my heart for each of you. Again, thanks to everyone for all you have done with me for our parish. Remember to continue to support your parish and each other. Support also means financially, see the gap the last couple of weeks in collection versus expenses to operate the parish each week. I know you will continue to be generous.

For the next two weekends, please welcome with loving hearts, as you always do, Fr. David Baker who will have the weekend Masses. He will also have the daily Mass from July 5-9 as well. The parish is greatly blessed to have his presence the next couple of weeks.

As I write this bulletin, no new administrator has been named as yet. The interviews for pastor will begin soon, perhaps even today (June 29).

Please pray during the selection process for your next pastor. Once he arrives, please welcome him with open arms. Be supportive, kind and loving to him as well.

Again, my love and thanks to all of you. God Bless.  
 Love and prayers,  
 Fr Mike

## Summer Math Camp

Keep your child's math skills sharp this summer in a creative environment that they will enjoy! The Diocesan Catholic Schools department is offering two week-long interactive Summer Math Camps hosted at 4 locations. Students will experience math in new ways that are engaging and fun, as they understand how the brain learns mathematics. This creative and relaxed environment will help them develop mathematical thinking and reasoning skills that will last a lifetime. Activities will be based on the Mathematical Mindset series and the youcubed program from Stanford University ([www.youcubed.org](http://www.youcubed.org)). To view a short video of the program, visit <http://bit.ly/solvingmath>. Easy link to register: <http://bit.ly/mathreg2021>. Be sure to save your spot for the program!
