**FAITH FORMATION NEWS**

As we are enjoying summer and happily returning to pre-Covid-19 normalcy, it is time to think about the 2021-2022 Faith Formation school year.

As you know, last year we had many things planned which would have allowed the students to experience the rites of the Catholic Church. However, the Covid-19 restrictions for faith formation classes were cost prohibitive. Additionally, due to the demolition of the school building, the utilities to the Malikowski Center had to be shut off.

The purpose of Life Long Faith Formation is to have student realize that faith formation is not just text book learning to receive a sacrament, but Catholic Education that prepares you for life. Faith Formation provides the student with Catholic tools that enables them to face life's challenges by employing God's help. The education obtained from these classes allows the student to experience the beautiful rites of the Catholic Church such as the Mass on Holy Thursday and the Easter Vigil Mass.

Currently the plans for Faith Formation are to have the classes in the Malikowski Center. Grades 1 through 5 will be conducted on Wednesday evenings from 6 PM to 7 PM. Grades 6 through 10 will have classes on Thursday from 6 PM to 7 PM. At this time the start date will be Wednesday, September 15 and Thursday, September 16.

The cost will be \$45.00 per student, the same as last year. The registration form can be found on the Parish Website. If you have any questions or concerns, please feel free to contact Mary Jane McDonald at 683-4246. If there is no answer, please leave a message and your call will be returned as soon as possible.

**FAITH FORMATION UPDATE**

The registration forms are available on the parish website. Please download the form, complete it and with the registration fee, please return it to the rectory office in an envelope marked "Faith Formation". You can put it in the collection basket or slip it in the mail slot in the rectory door. We need to know as soon as possible the

## WORD OF LIFE-AUGUST 15:

"In times of suffering, the human person should be able to experience a solidarity and a love that takes on the suffering, offering a sense of life that extends beyond death... In the family a person can count on strong relationships, valued in themselves apart from their helpfulness or the joy they bring. It is essential that the sick under care do not feel themselves to be a burden, but can sense the intimacy and support of their loved ones. ."
