SAFE ENVIRONMENT LESSON OPT OUT FORM

SIGN THIS SECTION ONLY IF YOU DO NOT WANT YOUR CHILD TO ATTEND THE SAFE ENVIRONMENT LESSON
 The Diocese of Buffalo works to comply with all the directives of the Charter for the Protection of Children and Young People. These directives were implemented by the U.S. Conference of Catholic Bishops in 2002. In addition to training all priests, religious, adults, staff, and volunteers that work with children, the Diocese is required to instruct children in awareness of sexual abuse at an appropriate level of understanding.

The training is a way for your child to learn to recognize and respond appropriately to issues such as social tricks used by predators, internet safety, and healthy vs. abusive relationships. Since Safe Environment Education is also mandated by the State of New York, most children have already been trained and viewed videos covering these topics in their schools. The presentation of this material within the context of a child's faith formation provides a needed Catholic reinforcement. However, if you do not wish for your child/children to participate, please sign the release below. Your child will then be excused for an alternate educational opportunity.

I request that my child/children _____ be excused from attending the Safe Environment discussion offered Resurrection Parish. I understand that it is my right and responsibility as a parent under guidelines of the Catholic Church to do any such instruction myself
